

NLG Tether Choke™

Product Code:
101367

Max Load:
20 KG / 44 LBS

OVERVIEW

The Tether Choke™ is a simple solution for creating a tether point on heavier tools. Constructed from heavy-duty webbing it simply cinches around a captive hole or handle to create a secure tether point that doesn't hinder the functionality of the tool.

NLG ID™
Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party
tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION	<p>The NLG Tether Choke™ is the heavyweight tether point, suitable for a wide range of tools. The Tether Choke™ is simply cinched around a captive handle or hole ensuring that the grip and ergonomic aspect of the tool are not compromised.</p> <p>Built to last the Tether Choke™ is constructed from a high-strength webbing that features contrast stitching for easy visual inspections. A durable V ring allows for quick and secure attachment of a suitable tool lanyard.</p> <p>The Tether Choke™ is easy to install, reusable and ideal to use where a high degree of movement is needed during the tool's use. It is often used as an effective anchor point where tools of over 5kg are in use.</p>	
FEATURES	<p>Optimised V Ring design for extreme performance</p> <p>Extra high-strength webbing delivers ultimate peace of mind</p> <p>Faster visual inspections with heavy-duty contrast stitching</p> <p>Clever contrast wear indicators ensure early warning of any structural damage</p> <p>Ergonomic and comfortable grip optimised for use on handles</p>	
TECHNICAL SPECIFICATION	<p>Max Load: 20 KG / 44 LBS</p> <p>Safety Standards: ANSI/ISEA 121-2018, CE / UKCA, NS 9611:2022+AC</p> <p>Load Tested and Third-party Certified: Dynamic (2:1 Safety Factor)</p> <p>NLG ID™ Technology / Scannable Compatible</p> <p>Unique Serial Number</p> <p>Dimensions: 340mm (L) x 25mm (W)</p> <p>Max Lanyard Length: 200 CM / 78 IN</p>	
RETAIL	<p>EAN (GTIN-13)</p> <p>5060572180116</p>	<p>UNIT WEIGHT (G)</p> <p>53</p>
SHIPPING	<p>HS CODE</p> <p>6307.90.9899</p>	<p>COUNTRY OF ORIGIN</p> <p>Taiwan</p>

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
