NLG ID™
Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION

The Coil Lanyard is the benchmark for all tool lanyards – lightweight, durable and easy to use.
 The compact and hardwearing coil is constructed from an aircraft-grade cable core with an anti-puncture, wipe-clean sleeve making it ideal for use in the most demanding work environments.
 The dual 360° Rotobiner™ provide an easy and secure attachment to the tool and anchor point whilst allowing full 360° rotation and reducing tangles.
 Perfect for a variety of tools, the Coil Lanyard is an essential item for any worker's tethering kit.

FEATURES

360° Rotobiner™ to prevent tangles and two-stage locking gate to provide a secure attachment to the tool or anchor point.
 Ultra-compact design stays neatly out of the way and reduces snagging hazards
 Anti-puncture wipe clean sleeve makes cleaning easy
 Robust aircraft cable core builds in dependable protection

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
