

# NLG Radio Tethering Kit

Product Code:  
101661

Max Load:  
N/A

## OVERVIEW

The NLG Radio Tethering Kit is an all-in-one tethering kit and provides everything you need to secure one of the most common tools, the two-way radio. This kit takes all the confusion surrounding tool tethering away and means you can focus on the job at hand.

### INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
