

NLG Retractable Spanner Holster

Product Code:
101662

Max Load:
5 KG / 11 LBS

OVERVIEW

The NLG Retractable Spanner Holster is an all-in-one solution for securing a spanner. With its built retractable ratchet lanyard, universal attachment for belts and harnesses and 2x load-rated anchor points it really is the ultimate tethering solution for spanners.

NLG ID™ Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION

The Retractable Spanner Holster has been specifically developed to safely secure spanners when working at height. The built-in ratchet retractable lanyard completely removes any snagging issues, and the ratchet mechanism prevents the lanyard from giving constant retraction force. Featuring two load-rated anchor points the Retractable Spanner Holster can be used to securely tether other tools using a suitable tool lanyard. The universal Quick Connect™ clips on the rear of the holster allow it to be easily attached to a belt or harness.

FEATURES

Built-in ratchet retractable lanyard
 Structured plastic and webbing loop for secure storage of tools
 2 Integrated load-rated anchor points for convenient tool lanyard attachment
 Universal fit with Quick Connect™ buckles for easy attachment

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
