

NLG AirPark™, Grey

Product Code:
101717

Max Load:
10 KG / 22 LBS

OVERVIEW

The NLG AirPark™ is a highly versatile non-gated tool keeper, ideal for docking tools such as drills and chainsaws when not in use. The AirPark™ easily fits onto your harness or tool belt and can hold up to 10KG of weight, making it an essential addition to any worker's kit.

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
