Third-party
tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION

The Linesman Pouch with Integrated Retractable Lanyards is a versatile tool bag packed with features, designed to keep your tools secure and easily accessible.

Featuring 4x internal load rated anchor points (5KG load rating each) and 5x integrated retractable lanyards (0.5KG load rating each) this version of the Linesman Pouch has numerous ways for you to keep your tools secure. The integrated retractables make it a great option for environments where snagging may be an issue.

The Linesman Pouch provides a variety of mounting options allowing you to attach it securely to a belt, harness or a rail.

Built from a lightweight yet durable material the Linesman Pouch is built for harsh work environments and features a reinforced base to prevent punctures.

The main compartment is secure using a stowable velcro closure, which can be secured out the way when not in use. Additionally, the bag features two front pockets with velcro closures and a small zippered compartment for small items.

FEATURES

Integrated Retractable Tool Lanyards help to avoid snagging issues (Max Load: 0.5 KG)

4x Internal Load Rated Anchor Points (Max Load: 5 KG each)

External D Rings on rear of the pouch allow it to be mounted onto a harness, belt or onto a rail

Velcro top flap can be easily stowed inside the bag to prevent interference when using tools from the bag

2x External front slip pockets with stowable flap for easy access

Front zippered pocket to secure small items

Reinforced base to prevent punctures

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
